### CARE AND CLEANING DIRECTIONS

- To prevent overall soil, frequent vacuuming or light brushing to remove dust is recommended.
- Stain Removal: Try to lightly brush the stain. Warm water spot clean with a mild detergent or non-chlorinated bleach.
- Blot the stain with a cloth or a sponge dampened with this solution, turning continually so that only the clean part is in contact with the stain.
  - o Never rub.

### Specific Stains

- Chocolate and coffee- sponge with lukewarm water
- Wine, milk and soft drinks- warm water with 2 caps full of detergent, wipe with cloth
- Blood- Mix two tablespoons of ammonia with 1 liter of water. Blot the stain with this solution
- Sunscreen- Warm water with 2 caps full detergent and non-chlorine bleach
- Urine and Sweat- Use a liquid detergent
- o For large or serious stains, contact a professional upholstery cleaners

### END USES

Garden cushions on verandas, sofas inside or outside, curtains inside or outside on verandas.  
Not to be used for deck chairs.

\*Malaca with Teflon finish and VC1 backing passes 30,000 DR

\*\*Malaca with Teflon finish and VC1 backing, complies warp and weft \*\*Malaca with Teflon finish only complies in the warp direction
